

**Did you know that kids who spend their summer in Summer Camps do better after the summer break?**

We had a flying start in 2019. In this first newsletter of our third year, we are excited to tell the stories of our students! Education matters: it gives our kids the chance to learn and grow.

**We hope you enjoy it!**

---

**"Do we have another Summer Camp next year? What will be the dates and days for next year's Camp?"**

These were one student's questions in her first English lesson after the school holidays. Her enthusiasm marks the success of our third English Summer Camp. We reached 66% more kids this year and parents were extremely grateful. The community also recognises our impact and they supported us by providing lunch every day for a reduced price.

## Running 70km Trail Run To Support Our Exchange Program

Berry Benjert and other athletes from The BF Team of Rio de Janeiro ran a variety of trail runs up to 70km to raise money for EduMais's Exchange Program. They have raised **€1367** so far. We're extremely grateful for this wonderful initiative! The fundraiser remains open! You can still donate to give select students a life-changing opportunity.

**Business Leaders From  
Cambridge University Visited  
Our Entrepreneurship  
Students**

Executives from the Judge Business School MBA program designed a one-day workshop with and for our entrepreneurship students. They inspired our students to aim high.
